

SSRS Reports Developer

COMPANY SUMMARY

Are you ready for an exciting career with a technology firm that is working on cutting-edge products that continually sets the bar for the competition to follow?

Then come join the geoAMPS team and be part of a software-product organization that has a cool work culture, great work atmosphere and amazing growth potential. We are currently hiring an **SSRS (SQL Server Reporting Services) Reports Developer** for our office in Powell, Ohio, and we would love to talk with you about your work experience and career objectives.

geoAMPS is the market leader in providing software solutions to manage land rights and infrastructure assets. geoAMPS was founded on a simple notion: offer the best technology solutions while forming lasting relationships with our clients. We are pushing the industry forward by bringing state-of-the-art technology, increased communication and quicker project completions for our customers.

JOB SUMMARY

The **SSRS Reports Developer** will write reports, create client dashboards utilizing market-specific KPIs and enhance/modify the geoAMPS framework to solve complex business problems. Work with the technical lead on assigned issues and product tasks on a day-to-day basis will be required.

PRIMARY RESPONSIBILITIES

- This position will initially be 70% report writing and 30% analysis but will transition over time to about 50/50
- Heavy use of SQL (SSRS and SSIS)
- Able to work with clients to gather requirements and develop and implement reports into multiple environments
- Participate in project-estimation discussion
- Review requirements and test cases for clarity and coverage
- Develop and maintain enhancements to the geoAMPS suite of products

SKILLS/EXPERIENCE

- Approximately 6-8 years of experience with SSRS
- Previous experience in leading a team
- Experience with report creation
- Strong SQL Skills, SSIS, SSRS, ODBC
- MS Office Suite, especially Excel/Power Pivot
- Must have proven knowledge in computer-programming language and SQL

EDUCATION

- Undergraduate degree in IT, Development or related field preferred
- H1B visa sponsorships are not available at this time

WHAT IS IN IT FOR YOU

- Being an integral part of a dynamic, growing company that is well-respected in its industry
- Competitive pay based on experience
- Medical, dental and life-insurance benefits

***You must be legally entitled to work in the United States in order to apply for this position. geoAMPS is an equal opportunity employer.**
